Dear Resident:

RE: 2016 Road Construction – Mapleridge Drive, Mapleridge Court & Aspen Court

I am writing this letter to inform you of upcoming construction activities that will be taking place in your neighborhood. As part of the long-range Capital Improvement Program, the Town of Buchanan has scheduled a road improvement project to be completed near your property in 2016.

The project plan may include: pulverization of existing pavement, reconstruction/repair of road base, construction of curb/gutter at intersection radii, full right-of-way ditching and/or ditch cleaning, culvert installation/replacements where necessary and the re-pavement of the asphalt surface. Some existing driveway aprons may be saw-cut and re-paved to match road grades.

To better inform you of this project, and to solicit feedback, ***the Town will be hosting a preliminary informational meeting/open house for the project.*** You're invited and encouraged to attend!

2016 Road Construction Preliminary Public Information Meeting

Date: Tuesday, January 19, 2016
Location: Buchanan Town Hall (N178 County Road N)
Time: 6:00 p.m. to 6:45 p.m.

At this meeting, Town officials and representatives from Cedar Corporation will provide a brief presentation (beginning at 6 p.m.), followed by individual question and answer periods. Preliminary construction plans (30% design) will be made available for viewing.

Residents are encouraged to visit the Town's website (www.townofbuchanan.org) for further updates. If you have questions, please contact the Town Administrator/Clerk, Joel Gregozeski at (920) 734-8599 or Town Engineer, Thad Majkowski at Cedar Corporation, 920-785-7302.

We have made every attempt to contact all property owners affected by this project, however, please share this information with your neighbors and other interested parties.

Sincerely,

Joel Gregozeski, Administrator/Clerk
Town of Buchanan

cc: Thad Majkowski, Cedar Corporation
