Avoid the Long Lines—Vote Absentee!

Any qualified elector who is unable or unwilling to appear at the polling place on Election Day may request to vote an absentee ballot. Whether voting in person or by mail, photo ID is required. To obtain an absentee ballot, you may choose one of the following:

- Personally come to the Town Clerk's office to cast an absentee ballot. You will need to show your photo ID. In person absentee voting can be done up to two weeks prior to the election.
- You can make a request in writing or email or on the MyVoteWI.gov website and an absentee ballot will be mailed to you. The written request must include your voting address within the Town of Buchanan, the address where the absentee ballot should be sent, if different, and your signature. You can also complete an Absentee Ballot Request form. You will need to include a copy of your photo ID with your request for a ballot to be mailed to you. To count in the election, absentee ballots must be returned by 8:00 p.m. on Election Day.

Polling Place Location & Hours

General Election: November 6, 2018.

All elections are conducted at the Buchanan Town Hall, N178 County Road N, Appleton, WI 54915.

Polling place hours on election day are 7:00 a.m. to 8:00 p.m.

If you are in line to vote prior to 8:00 p.m., you will be able to cast a ballot.

Please note: no absentee voting or registrations are allowed on the Monday before an election.

Winter Heating Safety Tips

Have your heating system cleaned and inspected by a certified and licensed heating technician prior to use. Here are some heating safety tips to keep you and your family safe.

Furnaces:

- Replace your old furnace with a more efficient unit.
- Make sure your thermostat is working properly.
- Replace the filter as recommended for your furnace.
- Wash, brush or vacuum permanent filters as recommended for your furnace.
- Check the exhaust vent for debris.
- Give your furnace space.

Fireplaces and Wood Stoves:

- Have your chimney cleaned and inspected yearly.
- Never use a flammable liquid to start a fire.
- Use only dry seasoned wood in your fireplace to avoid the build-up of creosote.
- Do not burn wrapping paper, newspapers, cardboard boxes, plastics, green wood/branches or trash.
- Ensure that your fireplace has a sturdy screen to prevent sparks from escaping.
- Never leave a fire in the fireplace unattended. Extinguish the fire completely before going to bed or leaving the house.
- Store the cooled ashes in a metal container outside.
- Only use wood stoves that are air-tight and have a controlled airflow.

Portable Heaters:

- Carefully follow all the manufacturer's instructions for operation.
- Keep heaters a minimum of three feet away from combustibles.
- Never plug your heater into an extension cord.
- Turn off or unplug heaters when not in use or you leave the room or go to bed.
- Portable heaters can be easily knocked over. Be sure your space heater has an automatic shut-off feature in case of a tip-over.
- Never use portable heaters as your only source of heat.
- Never place your heater on a rug or carpet, (unless it is the type specifically designed to be on carpet).
- Never use a heater if the cord is frayed or damaged.

Carbon monoxide (CO) is a colorless, odorless, tasteless, highly toxic gas that is undetectable to the human senses. Carbon monoxide poisoning can occur anywhere; at home, in your car, in a public place, or at work. CO detectors sound an alarm when unacceptable levels of CO are in the air. Without testing instruments, CO is virtually impossible to detect. Be sure to have a CO detector in your home. If the detector sounds a steady alarm or you are not sure, go outside immediately. Follow your home escape plan! Meet your family members at your safe meeting place and call 9-1-1. Never re-enter the home until you are told it is safe to do so.

Reminder: Walk safely by wearing reflective or light colored clothing. Walk on the left side of the road, facing oncoming traffic.

From November 1 to March 31st of each year, boats, campers and trailers may not be stored within front yards.

These items may be stored year round in the side yard on a gravel/paved surface or in the rear yard. Certain setback restrictions apply. Please visit our website for more information.

Snow Removal & Winter Maintenance Policy

The intent of this policy is to assist the Town and contractors in establishing priorities and guidance to ensure winter maintenance duties are performed in a responsible and timely manner.

It should be understood that this policy is not inclusive of all winter weather conditions. It is to be used to provide guidance resulting in timely, cost effective winter maintenance. This does not mean that dry, bare pavement should be expected. Due to circumstances such as: amount of snowfall, time of day, time of year, length of storm, predicted forecasts, and possible equipment breakdowns, the timing and level of service will be evaluated and steps will be taken to provide these services.

Policy Implementation

It shall be the responsibility of the Town Administrator to implement this policy with the contractor. Any adjustments to the policy for a particular snow event, contractor questions and other related issues shall be the responsibility of the Administrator. Town office staff shall be familiar with this policy and assist the Administrator as necessary and address resident issues and calls. In the absence of the Administrator, the Town Chairperson shall be responsible for implementation of this policy.

Timing of Services

Predicted and current snow accumulation, wind conditions, temperature and type of precipitation all dictate the timing of services needed. The following are general guidelines which shall be used to guide the timing of services:

- ◆ Completion of services shall be a priority for the time periods 6:00 a.m. to 8:00 a.m. and 3:00 p.m. to 6:00 p.m.
- ◆ As feasible, completion of services shall be completed once for each event.
- ◆ Contractor shall contact the Town prior to the delivery of services to confirm timing.
- ◆ Contractor shall contact the Town with any service delays, equipment failure, etc.

Notice to Dog Owners:

Dogs running at large and untagged dogs are subject to impoundment; penalties.

Wisconsin State Statute 174.05 requires the owner of any dog more than five (5) months of age **must have their dog licensed and tagged.**

Dogs running at large and untagged dogs are subject to impoundment and the owners may pay penalties. A dog is considered to be running at large if it is off the premises of its owner and not under the control of the owner or some other person. A dog is considered to be untagged if a valid license tag is not attached to a collar which is kept on the dog whenever the dog is outdoors, unless the dog is securely confined in a fenced area. An officer shall attempt to capture and restrain any dog running at large or any untagged dog. If the owner of a dog negligently or otherwise permits the dog to run at large or be untagged, the owner shall forfeit not less than \$25 or more than \$100 for the first offense, and not less than \$50 or more than \$200 for subsequent offenses.

Fire Hydrants & Snow

Snow fall, combined with frozen plowed snow bury fire hydrants under large amounts of compacted snow, thus making them difficult to find and use in an emergency.

Don't let your neighborhood hydrant remain "undercover" this winter!

We are asking that you help us by keeping the fire hydrant closest to your home or business clear of snow. Snow should be removed about three feet (3') away from the hydrant in all directions and a pathway cleared between the hydrant and the nearest roadway.

SNOW SEASON REMINDERS

Winter Parking Regulations

Per the Code of the Town of Buchanan, (§495-19 and §495-14), no person shall park any vehicle upon any street in the Town between the hours of 2:00 a.m. and 6:00 a.m. from November 1st through March 31st.

Snow & Ice on Sidewalks

Residents and business owners are reminded that sidewalks adjacent to their property need to be cleared and maintained clear of snow and ice throughout the winter season. Please note that shoveling, blowing or plowing snow into the street is against the law and endangers the motoring public.

Snow Emergencies

There may be occasions when the Town must declare a snow emergency. The decision to declare a snow emergency is made on a case-by-case basis and is determined on conditions and available resources. When a snow emergency is declared there shall be no parking for 48 hours or until snow removal operations have been completed. The Town will make announcement of such emergency to be broadcast on WHBY and WAPL radio stations, Facebook, Twitter, and the Town website.
