2021 Contract A-21 Road Construction

Woodstock Lane/Northbrook Court, Stillwater Trail,
Main Street/Emons Road (Storm Sewer only)

Project information: Roadway Construction involving storm sewer/laterals installation, road excavation, road asphalt paving, concrete driveway aprons, curb & gutter installation, and landscape restoration.

Timeline: Construction August 2, 2020 – October 15, 2020 *Locations will vary.

Road Closures, Vehicles & Traffic: While under construction, the road will be closed to through traffic. Travel through the area will be possible, but delays are likely due to construction equipment using the area. Be attentive of construction workers directing traffic through the construction zone.

Resident Access: Local resident access to and from your home will be maintained as much as possible during construction. If your driveway needs to be closed while construction is taking place, you will be notified by the contractor. Please contact the Project Inspector, **Cedar Corporation** if you require special access needs. **Once concrete is placed for the curb & gutter and the driveway apron, you will not be able to access your driveway for a period of 7 days. Park on the road or adjacent roads.**

Communication: It is the intent of the Town to minimize the amount of disruption and inconvenience to the community during any construction process. If during normal work hours you feel something went unnoticed, or needs attention, please contact **Cedar Corporation**. As the project inspector, Cedar Corporation is familiar with daily construction operations and can resolve many issues quickly.

If something happens after normal work hours that you feel requires immediate attention, please contact **Thad Majkowski**, and arrangements will be made to resolve the issue.

As always, in an emergency, please call 911.

Project Updates: Construction updates and the **full schedule** is posted on the Town website bi-weekly, and when major changes will be occurring. If at any time you would like additional information, please call Thad at 920-785-7302 or Maggie at 920-734-8599.

Two Week Outlook:

As part of this project, homeowners may want to call and receive a quote for driveway improvements from the Contractor to complete work on their private property. They may or may not provide a cost due to workload/scheduling.

Mailboxes will be removed and laid in the yard for the replacement at the end of the Project. Temporary mailboxes will be located at Springfield Drive. Relocation date to be determined with additional information to come.

Garbage/Recycle Pick-up will be the same day prior to 7 am; therefore, set the bins out prior to 5 am. This schedule will start August 9th.

School bus pick will be determined and communicated to residents.

Week of 8/2/21: Mobilization, delivery of materials to site, storm sewer installation. Construction to begin along Emons Road, moving along Main Street and then to Stillwater Trail.

Week of 8/9/21: Continue storm sewer with striping of ditches.
