\*\*\*If your tax bill does not show a lottery credit, you may claim one, only if you owned the home and it was your primary residence as of 1/1/2021. You can not claim it on rental property that is not your primary residence. You can obtain a claim form at the Buchanan Town Hall.

The Treasurer will deduct the lottery credit from the tax amount due and submit your form to the County.

General Tax Credit found on County worksheet

Percentage Change: New dollar amount less original dollar amount = difference. Difference/original amount \*100
